The Secretaries and Treasurer will be in their offices each day when not attending the Conference. Definite appointments should be made if interviews are desired.

All inquiries regarding the shipment of goods should be made at the Treasurer's office.

Those desiring to make purchases in Boston may secure from Mr. Barnes, Vice-Treasurer, a card which will entitle them to special discount.

The missionaries bound for China, Japan, and the Philippines will sail from San Francisco on the Pacific Mail steamship "Korea" October 12.

Each missionary should leave with the Treasurer all necessary instructions regarding insurance, payment of subscriptions to periodicals, and other items of personal business to which attention should be given during absence from the United States.

A pocket case of twenty-four bottles, containing tablets of special medicines most likely to be used by missionaries, with full directions, has been prepared and may be had upon application to the Treasurer. Price, \$2.00.

Each missionary should leave at the File Room the following: 1. Names and addresses of relatives and friends to whom special communications may be sent as occasion may arise. 2. A portrait.

A packet of certain useful literature should be secured from the Literature Department by each newly appointed missionary.

A group photograph of all the newly-appointed missionaries will be taken at Chickering's, 21 West Street, Friday afternoon, September 13, at 2.00 o'clock. The size will be eleven by fourteen inches, and orders for the same, at \$1.00 each, may be left with the Literature Department, Room 800.

All the missionaries, both newly appointed and returning, are expected to be present at the evening farewell service. It is desired that the wives of all our missionaries, as well as the appointees of the Woman's Societies, shall attend and participate in the afternoon meeting held the same day.
